Night, Perpetual is a joyous and jubilant celebration, a searchlight shone into the dark unknown, an attempt to realise something intangible. It is the first beam radiating from an album of signals and signs, a transmission broadcast into the wild silence.

Hold was recorded DIY-style over the new year period in a country house in Sens, Burgundy, and mixed in a small apartment in Paris. It deals with intimacy and distance, love and longing, jubilation and desire.

Bio

Flora Hibberd was born in London in 1995, and has been living in Paris since she was eighteen. Her debut EP *The Absentee* (Clearlight Records) was released in 2019 to critical acclaim. In September 2020 she released her second EP, *Archipelago*. One Chord To Another named *Archipelago* EP of the Year 2020. Her next record, the seven-song *Hold*, is to be released in June 2021.

It doesn't get any better than this: haunting, beautiful and timeless.. I can't wait to hear more
