Flora Hibberd was born in London in 1995, and has been living in Paris since she was eighteen. Her debut EP *The Absentee* (Clearlight Records) was released in 2019 to critical acclaim. In September 2020 she independently released her second EP, *Archipelago*. One Chord To Another named *Archipelago* EP of the Year 2020. On 25 June 2021, she released her first album, *Hold*.

Hold was recorded DIY-style over the new year period in a country house in Sens, Burgundy, and mixed in a small apartment in Paris. It deals with intimacy and distance, love and longing, jubilation and desire.
